“ Elizabeth was a loyal Newcomb College class agent for years. As alumnae director for Newcomb, I can attest to the fact that she was always interested in her class reunions and all the activities for alumnae in the New Orleans area. I loved working with her over the years. On behalf of the Newcomb Alumnae Association, our sincere condolences.

“ Elizabeth and I shared the same birthday, attended college together, as adults lived in the same neighborhood and attended the same church. I shall miss her. Renee Miester Cable

“ For almost 60 years she was our neighbor and both of my parents felt blessed that she and her husband lived just a few feet away from our front door. I have not the power nor the talent to put into words how to express to you the deep sympathy that is felt on your loss but know that she and you are in my prayers. May we meet again some day.

“ I was your neighbor years ago in Lake Vista - Joan Guidry. Your mother was a very kind lady. My mother and father thought the world of your parents. I often wondered how your mother was since Katrina, and where she had relocated. I never imagined she would have been so close here in Georgia. I am so sorry for your loss. You will be in my thoughts and prayers.
