“ Craig and Family, It's hard to let go of our loved ones, but know she is resting and in a better place. It not easy watching them suffer. Bless you and your family at this time.

“ God looked around His garden and He found an empty place. He then looked down upon this earth, and saw your tired face. He put his arms around you and lifted you to rest. God's garden must be beautiful, He always takes the best. He knew that you were suffering, He knew you were in pain. He knew that you would never get well on earth again. He saw the road was getting rough and the hills were hard to climb So He closed your weary eyelids, and whispered, Peace be thine. It broke our hearts to lose you but you didn't go alone, For part of us went with you the day God called you home.
