“ *Uncle Ellis I will remember you and your sense of humor and that you were the one that took me to Stone Mountain when I was about 11 for the first time, I remember your picture that hung in your mom's house (granny) and how you teased me when I said the eyes followed me all around the house. Rest now your battle is over, you will be missed and we will see you again.*

“ *My prayers are with your family. Ellis was a very sweet cousin and I loved him very much! We always laughed and had a good time when we were together. My dad bought a 1965 Barracuda from Ellis for me when I was sixteen, and I really loved that car. R.I.P. Ellis.*
