“ *Some of my favorite memories as a child was spending the summer in the "country", enjoying time with my cousins and dear Aunt Elsie. Always had a blast, even when we would get in trouble (many times). Wouldn't trade those memories for anything.  
RIP.

“ *Dear Marlene and family - I am so sorry to hear about the loss of your Mom. Jeanette called me today and said that she had seen it on face book. I know that you are completely exhausted after taking care of both your Mom and Dad, but I know that there is a special crown in heaven with your name on it for being so dedicated to both of them.*

*My thoughts and prayers go out to all of the family, and may God comfort all of you and help you to find peace at this time. My love to the family.*
