“ I send my deepest sympathy to you at the loss of our precious friend Greer. But oh how Heaven is rejoicing with one of their saints coming home! Like the light of a distant star that continues to light the earth long after the star itself is gone, so too will the light and love that Greer showed to so many continue to shine brightly in their hearts. I would pray that the same arms that welcomed Greer into Eternal Glory with Him are the same arms that are holding and comforting you now as only He knows how to do. Praying that fond memories would be a source of comfort to you at this time. In sympathy, friendship and prayer. Susan Popwell
