“ My thoughts and prayers for your family. It has been quite a while since we have seen everyone. My daughter Savannah played with Emily (7-9 years old) when we lived in the neighborhood over 16 years ago. Prayers.

“ Dear Laura and Dwane,
My heart aches when I think of the pain you are experiencing now. Last time I spoke to Emily she was sweet and kind, and full of joy. I would see her working in the nursery and smile. Laura you are a wonderful mom and Emily adored you, she was blessed to have you both. She herself was a blessing to all who knew her, she was on loan for too short of time from our Lord, now her beautiful spirit is free and basks in the radiance of God. I imagine her walking with Jesus and recognize everything in paradise from where she came from.
My love and prayers are with you. Bendiciones y cariño.

“ *Emily was like a sister to me. I don't have the words right now, just a lot of grief and sadness. She was one of the kindest people I've ever known. She had a light and carefree spirit, she just wanted to make others feel appreciated and happy. It was an honor to know her and love her while she was here with us. There is no one like her.*
