“ *What sadness I felt upon hearing that our precious Marie had left us to obtain her crown of righteousness, which she so rightly deserved. It was my honor to serve beside her as Principal of Ruth Hill School. Marie impacted the lives of so many children with her love, patience, and steady instruction. My life was also impacted personally when first being introduced to Marie at Ruth Hill and realizing that she had kept my two girls at her daycare - Little Loves - some 25 years before. Without a doubt, the one thing I know for sure about Marie is that she loved Kelly and Karson beyond measure. May the Holy Spirit bring back to the minds of the family the beautiful memories of a life well lived. I am forever grateful to have called Marie my friend!*

“ Marie worked with me in Special Ed for two years. I got to see her love for her daughter, Reed and her Mom. She would call her Mom everyday to check on her and see what she could do to help her when she was sick. She was there for me during many of the trying days of divorce. She made me laugh and boy she loved Elvis Presley!. Every morning we would park next to each other and she would have Elvis playing so loud I would just laugh and tease her about him! Marie loved the student's at Ruth Hill and she was so sad that she could no longer work with them. She was a such a kind and gentle soul to everyone! I am so. sad you are gone but happy you have Gerry back! She loved him so much and now they are together again. I am so sorry Kelly, Reed and family. She will be greatly missed. Love Betsy Dunlap
