“ *My heart is broken. I loved your mom so much. Miss Frenchy as she will always be to me and my children made a huge impact on me and on how I look at life. I will never see a dishwasher without thinking of where she like to hide her candy, or the look on her face when I showed up for her birthday party, as if I had never moved away. She was such an amazing lady! I am so sorry that did not know and did not attend the funeral or visitation. Please know that my thoughts and prayers are with you. All my love, Tasha*
