“ *I remember staying the night at Ashley's one night and I woke up too this BEAUTIFUL little face peeping at me through the crack of the door!!! When we made eye contact she smiled that big smile and ran away like she wasn't creeping on me... then I over heard Emma tell her parents she LOVES it when people stay the night with her!! She will never be forgotten. She will always be missed. She has always been an angel we just didn't know it until now. Love you Emma. Love you Ashley and Alicia!! Always praying for you.*

I spent some time with Emma and Travis at Wendy's and Jonathan's last November. Emma and me sat on the patio and had a nice little conversation while Travis deep fried the turkey. I'm so glad we had that time together. Ashley I'm so sorry for your loss. I will keep you and your family in my prayers during this difficult time.
