“*Tragic. I'm so sorry for the loss of your son, your sibling, and our friend. I miss Eric so much. I hate that he felt death was the only way out. Every time I hear American Pie I always think of how we used to sing together on the lake.*

“ I send my deepest sympathy to all of you. Eric was a remarkable, amazing human being. I have never met another person like him. And he touched my life like no one else ever has. I am so thankful for him, and for you bringing him into this world. His grin could light up a room and his spirit radiated wherever he was. I have been and will continue to pray for you, Lisa and John, as well as his many other family members and friends. Please let me know if you need anything at all.

“ It was my pleasure to know your son Eric thru his friendship to my daughter Debbi. Eric and I spoke many times, shared dinners and we had him to our house last year for Thanksgiving. It never feels right when your child dies ahead of you. The loss of Eric will be so hard for so many of his friends and his family. He was a remarkable young man. I am so glad that I had the opportunity to know him. My deepest sympathies to you and your family. Susan Litt 3343 Duncan Bridge Trail Buford, GA 30519

“ Eric's humor, vitality and unique personality could fill a room. Even as a child he could make you laugh. As a young man and adult he could entertain with outrageous stories and his latest videos. My family mourns the loss. Lisa & John you blessed us by having such a great son. We will keep all of you in our prayers. Much love to you, Joey, Haley, Ma & JR.
