“ *Carlton, Carlene and Marvin, I am so sorry to hear about the passing of your Mother. She was a wonderful person but most importantly she was a wonderful neighbor, as were the rest of you, to our family for many years. Our paths would cross occasionally and she always remembered me and it was such a joy to talk with her. She always wore a smile. She will long be remembered. Love to you all.*

“ *Dear Carlton, We forgot to mention that we honored your wish to make a contribution to a charity instead of send flowers The organization we chose was the Multiple Sclerosis Society. Joanne was diagnosed last year, and we felt that Varnell would want us to give to a charity that means a lot to us, personally. We wrote the check yesterday, and mailed it first thing this morning. You never know, maybe this contribution will be the one to put researchers over the top, and come up with a cure! When the day comes that a cure IS found, we'll have Varnell to thank for it. Just wanted you to know. Love Gary and Jo*

“ Dear Carlton and family, We are so sorry for your loss. Varnell was a big part of this family, and her passing has saddened us all. We pray that you take comfort in the love we send. Words really can't convey our deepest sympathy, but we hope you know that you will be in our thoughts now and in the coming months. Please call anytime. We will be here for you. The next few days will be very difficult, and we hope, through God's love that you will find strength to make it through each day. Love and peace to you all. Love, Gary and Joanne
