“ I would like to offer my condolences to the Barnes family and also share a comforting scriptural promise that very soon death will be no more, neither will mourning nor outcry nor pain be anymore.....Revelation 21:4

“ I was sorry to hear of the death of Mrs. Barnes. Better known to me as Nanny. Just wanted to send my condolences to all the family. Having had the honor of knowing Nanny for a few short years I was able to get to know her as well as her character. I know the family can take great comfort in knowing Nanny's in a better place. I'm sure she's still kitting- dipping snuff and reading her bible. I know she's happy doing the things she loved so much doing. What else could a person ask for. All my thoughts and prayer's to the family.

“ While I didn't know "Nannie", I did know of her through my long time working relationship with Donna. There were times I walked into your office and felt like my arrival was used as a way to tell your "Nannie" you had to get back to work. I got the feeling she would spend as much time on the telephone with her grandchildren as you would allow her. I know she will be missed by all of you.

“ Cindy, Kellie, Barry and family, we were so sorry to hear of Nannie's death. I have such fond memories of our brief visits to the nursing home.... .don't think I will ever make Brunswick Stew again without a smile on my face and a chuckle from Nannie's reaction when we took her some stew. She sure loved her family and would always say "don't go". I hope all of your years of memories will give you great comfort....with much love, Judi Worth
