“ I have known Gene for 5 years now. We became very close, very quickly. I have golfed with him, every week and have learned so much about his life and his family, Mano a Mano. I have lost one of my best friends. I golfed with Gene about two and half weeks before he passed, I remember our last outing and our fun times , on each hole that I play. He was a very special person, to myself , his friends and family.
