“ Ernest and Lee, I am so sorry that I missed the visitation and Mrs. Horton's funeral. I have heard that the words spoken in her behalf represented her well. I know it will bring you much comfort in the days to come. The last time I visited Mrs. Horton was to get "starter" for Friendship bread. She had kept the original starter for years and explained to me how to keep it and be able to continue using it. I still have my starter to this day. I thought it appropriate that she would have made and shared so many loaves of Friendship bread. She was a very sweet lady. I have heard so many wonderful things that you did for your mother-in-law, Lee. I know you feel good in your heart that you honored and respected her in every way possible. I'm sure that it was a blessing for her as well. It speaks of your good heart that you were so devoted to her. Peace to you and Ernest in the days to come. I know she would wish that for you, too. The love of a parent is forever. Susan

“ Gary and Family, We are sorry to hear of your Mama's death. When your Mama dies, a part of your heart goes with her and a Daddy is the same way. I guess God made it that way so we would make us appreciate Him. You and your Family are in our prayers and always remember, GOD LOVES YOU AND WE DO TOO, Don and Mildred Jones
