“ I have know both the Copelands all my life practically, living next door with my parents across from them and then next to my parents during my married years. In the early years we visited alot, sitting on the carport either at our house or their's which has made for some very good memories that I will keep always. My parents have since both passed away so I hope Eunice will see them and enjoy being together again. My prayers go out to the family but just be grateful for your time with her and be thankful for her long life. Denise

“ I felt I knew Mrs. Copeland from all the stories Becky shared with us. She must have been a very loving and generous woman and she was very lucky to have Becky in her life. I am sure they both had a richer life for having each other to share it with and I know Becky will miss her terribly but knows she is in a more peaceful place. My thoughts and prayers are with Mrs Copeland and Becky and her family.
