“ *I am so sorry to hear this about Miss Evelyn. She was a very dear, kind woman that I had the utmost respect for. Although I haven't seen her in a number of years I would often think of her, Alvin, Pattie and Connie and the good times we shared clogging, going to the community center get togethers and sitting around making my dresses. Always put a smile on my face. She will be missed. My sincere sympathy to you Pattie and Connie.*

“ Dear Connie and Patty, I am so sad to hear about your mom. I just heard or I would have loved to have been to the visitation and funeral. It would have been nice to see you in spite of the sad circumstances. I would love to hear from you. I'm living with my mom in Senoia. My Dad died in May . Again, I am so sorry to hear about your Mom. She was a lovely person and will be missed by many I'm sure. Love to you and your family.

“ I first met Evelyn in 1995 at the Sharpsburg Piecemakers quilting group. She was such a sweet spirit and always had a smile and a kind word for everyone. I will surely miss her and also Mr. Arrowood. He would drop in every so often to quilting to see Evelyn and to visit with the group. I see we almost had the same birthday too. Mine is on the 26th. Evelyn will be missed by all her friends and family who really loved her. Also thinking and praying for her family that she loved so very much !!! Sue Holmes

“ Evelyn was a member of Sharpsburg Piecemakers quilters when I joined in 1998. That gave us three Evelyns, we always were known as Evelyn A(Arrowood), Evelyn B(Black) and Evelyn S(Stanley). Evelyn was very welcoming to me, I always enjoyed her very much.

“ *What an amazing lady. I have very fond memories of Mrs. A from the past 20 years. She was one of the first of many that I met at Sharpsburg Baptist Church. She loved to laugh, and her and I shared many laughs together. Thank you for all of the hugs to me and my kids, you will definitely be missed. I know you are in your heavenly home and back with Mr. A.! I truly will miss you. Until we meet again.....*
