“ My Mom and Dad were friends with Faye and Jerry on the Isle of Palms, SC. Mrs. O. was a sweet person with a quick smile and joyful laughter. My Mom and Dad passed many years ago. Heaven is a little sweeter with all of them there! Love to the family.

“ Will miss you terribly. We have so many special memories all the way back to school. Being neighbors from 9th grade on until we married gave us th opportunity for lots of precious ones including "borrowing" Gene"s jeans. Me cutting my nose while we played tennis. , and Jerry giving Ken his first haircut and nipping his ear. Our children playing and us playing cards. We had a wonderful life together and now after all the trials you have rejoined Jerry. Love you and will miss you terribly no more phone calls. Could not make the funeral but I truly wanted to say good-by. Lucy

“ To all of Jerry & Fay's Children. When I was about 13 years old, my Mother married Jack Williams who was your father's Uncle. I am sure that none of you know me, however, I am sure that your parents spoke of my Mother on occasion, she was Louise Williams. Tommy, I don't know if you were ever told or not but I was told by your Father that you were named for your Uncle Tommy Ozmore. When the Alamo Theater and Newnan Drive-In existed as "theaters" he was one of the projectionest there, as I was at a later date in life. I will not be able to be there for your Mother's funeral, however, please be assured that all of you and both of your parents and grand-parents will be in my thoughts and prayers. Al Craven
