“ For Fenton and Family, Fenton your unique personality, insights and character endeared and enriched the lives of all who knew you. You have also left a 'life lesson' for us: no matter the adversity you encounter in life do all you can, for as long as you can, till the ultimate peace takes you. For some sadly, that can come sooner rather than later... Peace Fenton, and thank you....

“ My deepest sympathy and condolences to the family. It was my pleasure to have worked with Fenton for these few short years after his move to Atlanta with Delta. His humor and spirited personality added so much to the LCC family. May God's peace and comfort sustain you in the days and weeks ahead. God bless you!
