“ To My dear friends My condolences on your loss. I will always cherish the time I had spent with you and your Family. Mrs. L, Ida, Freddie, and Dana I still recall and laugh at the time I spent there and Mr. L would always treat us right and we all enjoy the fruits of his labor from his big back yard garden in Gillette. I still can taste those peaches. Fred remember how he would make us twist the grape press until every last drop of juice was out of those poor grapes. RIP Mr. Fred Lombardi I will always remember our times. John
