“ *Ann was one of the sweetest persons I have ever known- she was a first cousin to my husband, Raymond Sauls- we had many wonderful times together - Ann playing the piano and Raymond singing- they both were very talented- she helped me with him as we dealt with his Alzheimer’s condition- she was definitely a true friend and loved her family- I, personally, will miss knowing she is not with us here but know we will meet by and by- Rest In Peace sweet Ann-*

“ I was so blessed to know Ms. Ann for 45 years. She played the piano for my first solos in church and she played for our wedding. She was always so nervous but she played beautifully and flawlessly. I remember the youth group outings she and "Pops" held at their home, and every church bake sale where her famous pound cake brought over \$100 every year. I think she was partially embarrassed and partially proud at the same time. She did everything with beauty and grace and she always put God first. She was truly a special lady and one of a kind. She wasn't just a friend, she was family. She was one of the sweetest and most genuine people in the world and she will be missed. ❤️ My parents thought the world of her as well and I found this sweet picture of Ms. Ann and my Mama. 🙏
