“ Vicki, I was so sorry to hear about the death of Frances. I work with her at Playtex and always enjoyed being around her. She always had such a soft voice and a smile for everyone. My Mom and Dad also work with her, they were Neal & Myrtle Holdbrooks. I remember her always talking about you. My Mom was in the Nursing Home for a year back in 2006 and part of 2007 and Frances came by and visited her. It was so good to see her and Mom enjoyed her visit so much. You and your family are in my thoughts and prayers. Sorry I did not get by the Funeral Home to see you. May God comfort you and give you strength in the days and months ahead. I have lost both my parents and I miss them so much; but one day we will be reunited with those that we love. God Bless.
