“ Joan, Dianne, Cathie and family,

We know the time is coming, but we can never be completely prepared for the loss of our mothers. My heart breaks for your loss and I am full of joy knowing your beautiful mom is at peace. David and I were happy to have the opportunity to know Frances over the years and I will always remember her as a delightful lady with incredible spirit.

We share the same compassion for St. Jude's and we will be making a donation in her memory. We continue to hold you and your families deep in our hearts and prayers.

“ Pollard family I'm deeply sorry to hear about the passing of Ms. Frances. The pain from losing a loved never really fades away. Revelation chapter 21 verse 4 assures us that soon death will be no more.

“ *"Miss Frances" has been my role model since I was a very young girl. I cannot recall seeing her without that beautiful smile! She's one of the last of "hardworkers" of the Greatest Generation! When we worked together at the old Newnan Hospital in the '60's until she retired, I learned so much from her! Wise, compassionate and a pleasure to have known. One of the best nurses I was fortunate and thankful to work with when I was a young, wife, mother and nurse. She openly shared her pearls of wisdom. Much love to her sweet family. We know Frances is with her Saviour and trusted friend in Jesus. God Bless!*
