“ *Terry, What a time we used to have at Savannah Court of Newnan with the old crew. Connie was right in there in everything we did. I'll never forget how beautiful her room was and how proud she was of everything. Those were truly times I will never forget and I was so privileged to have your mother be a part of it with me. I just want you to know how much I loved having her there and how much I also enjoyed knowing you. You were a wonderful daughter to her!*
