“ Sure wish I had met him in person. My child and grandchildren are heartbroken. They were short neighbors and loved him dearly the kids would call or face time and talk to me about Mr. Frank every day this is very sad .he is so missed by three little wild kiddos and a grieving dog.

Frank will be missed and prayers to his family. Frank and I went to school together, Frank lived across the street from me and we played or rode our bikes, then played my Stereo. We liked Peter Frampton. Our favorite was shooting cans with my BB gun.

“ The last conversation I had with Uncle Frank he was so excited about his new hand gun. He was a real enthusiast and taught me a few things I didn't know!

Our last meal with Frank. I remember it well. We had such a great time joking and laughing. Gone too young.
