“ *I remember when we lived in Newnan and our Toddler Tina got into some instant coffee. We called Doc and he came over and took pictures of her. It was so funny. Doc and Richard could eat 5 lbs of potatoes and a pan of biscuits anytime. He was always so happy and a lot of fun. I also remember when he had that awful accident and how we prayed for him and he did survive. My heart is aching for you all. My prayer is that God will give you peace and strength to face the coming days. Embrace his memory.  
Love you all, Nancy Vickery Morgan*

“ I have such fond memories of Uncle Doc. Mainly when he scolded  
Renee and Cheryl I would laugh out loud. I don't know why. There  
was just something about him that always made me laugh. I also  
remember white water rafting and when Doc plopped down on his  
seat, my husband at the time popped right out of the boat and went  
downstream. I'll never forget that. He will be sorely missed. My love  
goes out to Aunt Jane, Cheryl, Renee and your entire families.
