“ Frank was a true friend.., He always called me Kid at work. He loved his dogs and is surely missed. Dimple. I now know why I haven't heard from him We used to talk a couple of times a year. I lost your Phone number so I couldn't keep in touch. Today I thought about him and wanted to see if I could look up his number when I came across his obituary. I am deeply saddened to find out he has passes ; best wishes to your family.
