“ Randy, my cousin my friend. The memories we shared are many, the summers I spent in Sargent, With you Mike and I "running wild in the country" as only young boys can. The camping trips with your Dad, Uncle Robert and the Boy Scout Troop. Going to Aunt Vivian's house and getting a match box full of coins to spend. Going to Granny's house, getting water from the spring, gathering eggs, and chasing the Guinea Hens around the old house. But time was not good to us, miles separated us, and we drifted apart. That was a major loss for me. But now you have gone on to a better place, without pain or heartache. Farewell my cousin, my friend.

“ I worked with Doc at Chattahoochee Bend State Park. He was great man and a kind soul. We shared afternoon conversations about guitars and music. He loved his family and he would share stories bout his grandkids and I would share stories about my family and animals. He truly was an awesome person and it was an extreme pleasure to know him and work with him. He will be missed dearly. R.I.P Doc I know you are picking and grinning in heaven!

“ I will miss you, dad. I'll forever be grateful to have you as my father. I cherish our music sessions. I cherish the summer visits we had. I will always remember those early morning fishing trips on Wahoo Creek. I'll always replay in my mind the day we played catch in the yard. I'll forever remember our final conversation. You will be deeply missed dad. I love you. Forever and always. Rest in paradise.
