“*Virgil and Sarah were very instrumental when we first moved. Joined the move back in Plymouth Minnesota. They were a wonderful couple and I remember their kindness and help to us very well. We are happy he had a long life and also happy know that he is in his favorite place. However those of us left behind to grieve in hope knowing the true end of the matter. Through virtual and Sarah we were fortunate to meet Nancy, his daughter, who is a precious soul.*”

“ *Uncle Virgil was always so considerate to his sisters: Dorothy Prescott and Vernie Harville. After mother had her stroke last year, Uncle Virgil came to see her several times and sent cards and talked to her every time I would call him for her. He ALWAYS would say, "God bless you". It meant so much. I know he is in the presence of The Lord where there is fullness of joy.*
