“ A beloved friend. We attended school and graduated together. After school we enjoyed spending time together, meeting for lunch at restaurants and in our homes, and taking cruises together. Frauline was a true friend and will be greatly missed. Her family was so important to her --- she loved all of you and enjoyed sharing stories about you when we got together. God bless each of you and may He comfort you as only He can do. June Wallis Barronton

“ I only need recall how she pronounced Rita's name, to hear her sweet voice. As I sit here and ponder the blessings this dear lady gave me through her wonderful children and her ready smile and laugh, I am grateful beyond words to have had her as part of my life. She was my friend as well as my friends' mother. I miss her already, but am at peace knowing she has been reunited with her dear ones who have gone before and that her work on earth is done. RIP "Miss Frauline".

“ I did not know Ms. Frauline personally, but when I saw her name, I knew she had to be the same “Frauline” my mother-in-law, Mary Ruth Cash, spoke of often during her many years working at Bressler Brothers. Ms. Frauline obviously enjoyed many years following her retirement. My heartfelt condolences to her family.
