“I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel.”
Maya Angelou Fred always made us feel like we were extended family. We feel honored to have known Fred and Marion and cherish the time spent in their company. No one could ask for kinder, more caring friends. Our wish for the Cochran family is that any sadness you feel now will quickly be replaced by happy, comforting memories and a peace in knowing that Fred and Marion are together again.

“ We have fond memories of the Cochrans as our neighbors. It was great hanging out with Fred and an honor to have known him.

“ Thoughts and prayers go out to all of the Cochran family and friends of the family. I will always cherish the stories and times Fred shared while living on Ford Road. Now Fred and Marion are happily reunited in heaven - such a cute couple. May peace be with you all during this difficult time.
