“ I feel so lucky to have known Fred throughout my life. Always ready with a genuine kindness and that amazing sparkly smile of his, he is someone I've always greatly loved and respected. My deep condolences to Juanita and all of their family. I am so sorry that I couldnt get there today from Raleigh, but I am sending my love to you all. I know Fred & Bob are tooling around on their new pontoon boat in the great lake in the sky, and I know a man as good as Fred will always rest in peace.

“ I have so many wonderful memories of Fred that it would take much more space than allotted here to even begin to name them. What an incredible human he was-my life has been immeasurably enriched by the fact that this wonderful man was my uncle.
