“ *My deepest condolences to Fred's family I was very sorry to hear of his passing*

What can I say about Fred,? We worked together for few years at Lowes in the assembly Dept Between Fred, Steve and I there was nothing we couldn't put together. He was funny to work with, sometimes exasperating. He had his way of doing things and there was no changing his mind He was fun to work with and that made the work day more enjoyable He was a loner of sorts and we missed him at our breakfast dates Rest in peace Freddie You will be missed,....
