“*Joanie, I have always felt blessed to have you and Rick as my second parents. I am sooo sad and sorry for your loss. Rick brought joy to so many people. From making go-carts and other wooden toys for neighborhood boys in Irving, to being Leeann's dominoes buddy, and sharing my love of burnt cookies :-). Rick had more friends than anyone I knew. The beautiful memories will go on forever. I love you very much, God Bless, Brenda Parks, Milo, Cassy, and Leeann*

“*I was Rick's barber for several years. I was deeply saddened to learn of his passing. I meet a lot of people, and it is rare to find someone as genuinely caring as he was. It showed in the way he looked at you, that he actually cared how you were getting along, and wasn't just going through the motions. The last time I cut his hair he shook my hand as always, but he held on to it just a little bit longer than usual, and he thanked me for all the good work over the years, There was a foreboding in his tone, as though he knew this would be his last haircut. My deepest sympathies go out to his family and closer friends, for him to have had an impact like he did on me for no more time than I shared with him, I am sure that the loss for those closest to him is immeasurable. I will not soon forget Rick. -Chris*
