“ *I work out with Gail & her sister Karen at Piedmont Newnan Fitness Center. I always looked forward to seeing them. They were so much fun. I looked so forward to seeing them when the center reopened because of COVID. I hope I would see them every time I went. And then I heard the sad, devastating news last week. Love to Karen & the other family. She loved her grandkids & showed me pictures.*

Her and I had some serious moments but mostly her and I laughed a lot !! We met at the gym along with Karen and we went out to lunch one time with a few of us gym girls and then we went to the movies 😊 her and I were a lot alike and during the movie both of us got shussed for talking and laughing out loud.. I'll always remember Gail as a happy and fun friend and when we meet up again ...we'll laugh even louder 😭 I will miss her but I will think of her frequently and smile because that's what she'll be doing..smiling down on all of us 😊 R.I.P. Gail until we meet again 🙏
