“ Donna I worked with Garry for sometime during my tenure at BOA. I was deeply saddened to learn of his death and I would like to express to you and the kids my sincere sadness and sympathies at this difficult time. May God keep you all in his loving care. What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why he left this earth so soon, or why he left before you were ready to say good-bye, but little by little, you begin to remember not just that he died, but that he lived, and that his life gave us memories too beautiful to forget. Stay Strong!

“ I'm so sorry to hear about the passing of Garry. He was a great guy. We worked together at the Bank of America plaza in midtown. We used to talk about how bad our golf games were and how we enjoyed the UGA DAWGS. He used to talk about how much gas his Avalanche used driving all the way to midtown. I could also tell that he really loved his family. I'm blessed to have known such a great guy, My condolences to the entire family.

“ I was shocked to hear about Garry's transition to our Heavenly home. I worked with Garry at Bank of America Operations Center. He was loved by everyone. Although we loved him dearly, we could not make him stay. A golden heart stopped beating, hard working hands to rest. God broke our hearts to prove to us He only takes "the best". May the wonderful memories you had with Garry bring you comfort. With heartfelt sympathy!

“ Donna - I was just informed a few minutes ago about the passing of our sweet husband. I used to fill his prescriptions at Target, and would look forward to him and your sweet Amanda coming in together. There are no words to comfort you I am sure, but know that in the brief exchanges that people had with your husband, they were better because of him, He was so kind, and genuine. My prayer is the God will wrap his loving arms around you and your children - may you feel Him carry you through this difficult time of loss...
