“ To the Family of Gary Bright - I would like to pass on our deepest sympathy from the Cooler Services Dept. in Salisbury, MD. I had the pleasure of speaking periodically with Gary for business; but I always joked with him about our being related in some way. He was a soft-spoken, patient, and conscientious person. If just the few times that I had contact with him reflects the gentleness he portrayed at home; then I know there is true sorrow in the Bright Family today. Your family will remain in our thoughts as you go through this difficult time.

“ There will come a day when the tears of sorrow will softly flow into tears of remembrance...and your heart will begin healing itself...and grieving will be interrupted by episodes of joy...and you will hear the whisper of hope. There will come a day when you will welcome the tears of remembrance...as a sun shower of the soul...a turning of the tide...a promise of peace. There will come a day when you will...risk loving...go on believing...and treasure the tears of remembrance. All those sleeping in their graves will wake up and sing for joy. As the sparkling dew refreshes the earth, so the Lord will revive those who have long been dead.”-Isa. 26:19.

“I'm so sad to hear that Gary passed away. He was one of the first people I met when I came to the Customer Communication Center at Coca-Cola. I was there for my interview and Gary made me feel welcome, and soon we were comparing photos of our cars. Over the years the conversations turned to our daughters. My daughter was born just before Erin. I know that Gary cherished every minute he spent with his pride and joy. I've never met a prouder or more dedicated father. Gary also had a passion for taking care of customers. His work with customers like Olive Garden and the cruise industry was often recognized and rewarded. The entire Coca-Cola family will miss his friendly personality and dedication.

“Michelle and Erin, My heart aches for you both. Gary was an all around great person and was always a joy to be around. He will be greatly missed by all of us here at Coca Cola. I personally looked up to Gary and his great strength along with his positive attitude in trying times. He should be an inspiration to everyone. Just remember, when your heart is empty , filling it with happy memories can help and I am sure you have plenty of them.

“ Michelle, Erin and Family, I am so sorry for your loss. He was a great friend and I know he loved you so very much. I will miss Gary very much and am blessed to have known him. A Native American Prayer, Do not stand at my grave and weep, I am not there, I do not sleep. I am a thousand winds that blow, I am the diamond glint on snow, I am the gentle autumn's rain. When you awaken in the morning's hush, I am the swift uplifting rush. Of quiet birds in circled light, I am the soft stars that shine at night. Do not stand at my grave and cry. I am not there, I did not die. Gary will be with us always. At the race track, washing our cars in the morning or looking at the stars. You will all be in my prayers during this difficult time. Love you Suzanne

“ Michelle and Erin, Gary was a dear friend and selfishly I will miss him greatly. I am thankful to have had the opportunity to know him since early on in our Coca-Cola careers. Gary connected well with a network of friends throughout the Coca-Cola system and nurtured those relationships even when careers took people away from each other. He was a kind and thoughtful man. I was fortunate to get to know Gary and you both outside of Coca-Cola and I will always cherish those times spent in Daytona enjoying our common passion for fast cars. God Bless you and know that he loved and valued you both. My family continues to keep you all in our prayers. With sympathy, Jim

“Michelle and Erin, my family is praying for you during your loss. Gary was a good friend and I enjoyed working with him each day we had together. He loved his family and his NASCAR. I loved hearing so many stories about your family and I am going to miss my dear friend. Please let us know if we can help your family in any way. I will see you on Thursday. I am thankful Gary is not suffering any longer and I know he is swapping stories with Dale right now. God Bless your entire family.

“Michelle and Erin, I never had the blessing of meeting you two, but working with Gary everyday on the Atlanta team, I felt as if I knew you both so well. Gary loved you very much. I am sad to lose my dear friend, but we can rejoice in the fact he is with God, and no longer suffering. The Bible tells us to be absent from the body, is to be present with God, so we know Gary is asking him about a million questions right now. My family grieves for you and you know you are in our thoughts and prayers. Let us know if there is anything we can do for you. I will see you on Thursday, God Bless your entire family.

“ Michelle, Erin and family, I am so sorry for your loss. Gary and I talked Nascar a lot and he had to show off that watch he got a few years back and I loved it. He always talked about "precious" (Erin) and everyone knew how much he loved his family. He was a wonderful person and a special friend and I am going to miss him. He passed away on my birthday, so I will never forget and always celebrate his memory as well. As you know my brother and my dad passed away this year and I know it's hard to go through the grieving process. I am here if you need me. You have my cell so call me anytime. <<<<< HUGS>>>>> Setina

“Michelle and Erin, I know that Gary loved you both very much, and was proud of both of you! Gary will live on in your hearts and his spirit will remain with you always. He and I used to share NASCAR stories, and e-mails both when I was at Coca-Cola, and even after I left. He was the proudest father I have ever known when it came to Erin. I know that these times seem extra difficult for both of you, but know in the back of your heart that he is not suffering. He is in a place that you and I know that he will be watching down on you as you get thru these rough times, and gradually move toward happy times again. God Bless you Gary! “ Michelle / Erin, We have never had the chance to meet, although Michelle, I have received messages from you regarding Gary's condition in the past. Gary and I first met when I was in need of some "best in class" help from Dunwoody and after meeting with Greg Sample, he put Gary in charge of providing me assistance (not sure if he was too wild about the idea at the time). The work I do managing the cruise industry is very unique and it requires an extraordinary amount of "hands on" attention and Gary took on this extra work without any complaints. I know that Greg handed Gary the project, because he was "best in class". Over the years, he provided Jim Baldwin and I quite a bit of help as well as significant insight on how we might improve our processes...an extraordinary job, done extraordinarily well Gary brought alot to the table... his great work ethic was the best as well his very one of a kind personality. I will miss him. My thoughts and prayers are with you all
