

Gary Frederick Fraker

March 13, 1940 - March 22, 2026

Gary Fraker, age 86, went home to his Lord and Savior on March 22, 2026. He was born in Knoxville, TN to Fredrick and Pauletta Fraker. In addition to his parents, he was preceded in death by his brother, Tony Fraker.

Gary grew up and married the love of his life, Martha Chambers Fraker, in 1960, and raised three children. He worked for Delta Airlines and retired after 30 years of service.

Gary's love was woodworking. He loved making anything with wood and was very meticulous, making sure what he made was perfect. He could spend hours in his shop making items for family or his home. Gary was also a master gardener and definitely had a green thumb. His yard was always beautiful with lots of flowers, bushes, and trees.

He is survived by his loving wife of 66 years, Martha Chambers Fraker; sister Pat (Harry) Stooksbury; children Angela (Scott) Kilgore, Pam Wyatt, and Chris (Angie) Fraker; grandchildren, Kimberly and Brandon Fraker, Dylan (Ashley) Wyatt, and Katherine (Mack) James; great-grandchildren, Cora and Gary James, Jessica and Jackson Wellborn, and Justice Wyatt.

“ My Granddaddy was a kind and patient man. He loved my Grandmommy deeply. I think his favorite adventure was going to St. George Island with my Grandmommy, collecting seashells, strolling the white sand, and relaxing on the beach. He never had anything negative to say about anyone else, he always was respectful of other people and would give the the benefit of the doubt to all. He liked to joke. He took pride in his jokes and he enjoyed cutting up with his family and friends. He was a gardener. Boy did he have a green thumb! He was passionate about his gardening, creating beautiful floral landscapes, and I think he did it for my Grandmommy. He had her in mind in everything he did. He cared for her full time during his last years of life. He was a true Gentleman and I am so happy and proud to be his Granddaughter. I cherished him greatly and look forward to sharing memories of him to my children. I love you so much, Granddaddy. You will always be my Granddaddy.
