

## Dr. Gary Alan Howard

January 10, 1952 - October 16, 2018

Dr. Gary Alan Howard began life in Duluth, Georgia on January 10, 1952. He was the son of the late Bruce Barge and Bertha Hanson Howard. In the ensuing 66 years, Gary would evolve and become known by quite a number of titles. First and foremost, Gary was the child of a God in whom he had absolute and never wavering faith. His naturally quiet and unassuming nature underlay a man of deep and passionate conviction for the ideals he found in God's word and those truths upon which he built his life. He was passionate in his belief in the importance of missions for he wanted everyone to know the God he revered. Over the course of his career as a pastor, he served East Newnan Baptist, Mt. Vernon Baptist, Harrison Road Baptist and Bethel Baptist churches. Gary was a life long learner and a gifted teacher; always anxious to share his depth of knowledge. Galatians 6:9 states "As you teach, do not get tired of doing what is good. At just the right time, you will reap a harvest of blessings". Nobody could believe that more than Gary because he found immense satisfaction in serving as a teacher. He had received his Doctorate in Theology from Emmanuel Bible College and would go on to teach there. He thoroughly enjoyed teaching high school students and did so at Landmark Christian School teaching Bible and Spanish. He also taught Spanish at East Coweta High School. Although his proper title was Dr. Gary Howard, Gary was a jovial man and seemed to have always have a little candy in his pocket to share. Like the cowboys in the western movies, Gary was determined to leave this world with his boots on and paid his last visit to his school to be

sure his students were cared for only a week ago. Gary is survived by his devoted wife and life partner, Deborah Caldwell “Debbie” Howard. He was a patient, compassionate and exemplary father to Philip Howard and his wife Kelly, Ami Morris and Shannon Brooks and her husband Chris. Nobody had a greater place in Gary’s heart than his grandchildren Corbin Howard, Beau Brooks and Doc Brooks. Also surviving are his siblings Bruce Howard, Jr. and his wife Martha, Phyllis Howard and Pam Howard. Funeral arrangements are by McKoon Funeral Home at 38 Jackson Street where the family will receive friends on Friday from 6:00 PM til 9:00 PM. The service to honor and remember his life will be on Saturday in the McKoon chapel at 2:00 PM and will be led by Reverend Jonathan Porter. Interment will follow at Forest Lawn Memorial Park. In lieu of flowers and in honor of his lifelong dedication to education, it is suggested that memorial contributions be made in his honor to a scholarship established at East Coweta High School. Donations with the notation “Dr. Gary Howard Scholarship” may be sent to East Coweta High School 400 Highway 154 Sharpsburg, GA 30277 or give online: [www.gofundme.com/gary-howard-memorial-scholarship](http://www.gofundme.com/gary-howard-memorial-scholarship). *I first met Gary while working at the Colonial food store on Greenville St.. His sister and I were classmates and later worked together at the Sheriff's Office. Gary was a prankster and would always welcome the opportunity to get one on you. He was a very kind person and would always share his love of God. May his wife, Pam and the rest of his family cherish his memories of his love of God, family and mankind. Go in peace my brother. I'll see you again.*

“ Sr. Howard was by far one of the most caring teachers I ever had the privledge of having in high school. I remember eating breakfast or just talking with him every morning before school. I remember him always listening to his Cowboy Songs album(which I still have in my collection and will cherish always). Words will never be able to truly describe what an amazing man Sr. Howard was and still is up in Heaven. You will forever be loved and missed.

“ My first memory of Gary was riding the school bus together in elementary school, then on to graduate together from NHS in 1970. We became good friends at Mills Chapel Baptist Church, carpooled to West Georgia College and worked together at Colonial Store. I had such great respect for Gary that I asked him to be a groomsman in our wedding. He was a true soldier of the cross of Jesus Christ.

“ I used to substitute teach for Dr. Howard and on the same wing where he taught many years at East Coweta. I minored in Spanish and we had the love of foreign language in common. I don't think there was ever a time that he wasn't smiling. I ran into him at Publix at Thomas Crossroads one evening and didn't recognize him at first since he wasn't wearing his usual dress suit and tie. He stopped and we chatted awhile and I'd been feeling down that day until I saw Gary. I want to extend my deepest sympathy to the entire Howard family, friends, students and parishioners.

“ My heart is so hurt to hear of Mr. Gary's passing. I will always remember his big, wonderful smile, his laughter, and his jokes that I could never answer. I loved and respected him greatly. I am truly grateful of the last time I saw him with his kind words and his big embrace. That has always been embedded in my memory and will always be cherished in my heart. His story through this is so courageous, and him and Debbie both are a huge inspiration to me. My heart and prayers are with the entire family. Love Always, Erica Leach

“ Gary is one of the most Godly men I know. I lost track of his PhD's & Master's Degrees, but more important than that is that he knew God's word and lived it everyday. Gary was an example of what God wants a man to be. I love him dearly for encouraging me, counseling me in the word, and showing me how iron sharpens iron. Love you man.
