“ To the Warren Family. I am sorry for you loss I'm in Ca this week and will not be at the service. Gary and I havn't seen each other in few years. I wish he and I had got together like him and Tony O did. I remember many great days and nights playing against each other in church softball and basketball plus the rounds of fun filled golf we had years back. Oh the Gary Warren power fad golf shot not a slice but power fad. He would aim dead in the trees left and bring it back to the middle. I blame him to this day for that shot rubbing off on me But most of all I remember him as the man that took a chance on me at the bank in my mid 20's to help me get started on my on without my daddy's signature on a loan for a truck when I didn't have much of a job so I could buy a truck to cut and sale firewood with. What a friend he was to me Gary I will always be thankful for that chance as I have told it many times. Take care my friend and please say hello to Mr Charlie and Ms Christine for me.

“ My condolences to the Warren family. Gary was a very good friend. There are voids left in many hearts that can not be filled due to Gary's passing. Anyone that knew Gary knows what a good heart he had. I have no doubt there was a crown full of jewels waiting for him upon his arrival at the pearly gates. Rest in peace and pain free my friend.
