“ We have known Gene since moving to GA. We met through the Early Ford V8 Club which both of us were members. We shared several tours and enjoyed sharing common interests together.

“ I am so thankful that I got to spend some time with Gene last year. We talked about old Fords and the times our families toured in our old cars! One of my favorite stories about Gene and my dad was when my dad loaded up a 1910 Overland he had purchased into a trailer and towed it up to Hershey, PA for the annual AACA flea market and car show. Gene came over to dad's flea market spaces and bought the car from dad! So dad drug it back to Newnan and delivered it to Gene across town! Many great memories of my family in a 2936 Gord Phaeton and Gene, Joyce and Gayla in their 1934 Standard Cabriolet. You guys are family and I will continue to keep you all in my prayers! Love you all!
