“ Dave and I will surely miss our best friend, buddy, confidant and favorite person to hang out with - the brother Dave never had. While we are extremely heartbroken, we reminisce of memories and our good times together. We will never see another Tilly hat or have a rum and coke without thinking of our dear friend. Rest In Peace our sweet “Alageo.”

“ Going to miss this friend. George was one of the first persons Janice and I met when we bought our property on Lake Wedowee. We had never looked at our property from the lake side until the day we closed. George let us walk down to the shoreline on his lot and take it all in. From that day on we enjoyed the visits, the great fish fries, pig roasts and whatever George came up with to make lake life as enjoyable as possible. George was a unique person and he will be missed by all that had the chance to know him. God Speed you old bear.

“ George was one of a kind and we loved him! When we bought the house on Ladonna many years ago, we instantly became friends! My mom and dad are Janie and Donnie Griffith and have owned two houses on that street. My children and grandchildren know and loved George as well! God bless him and your family!
