We were a team, and not just training officer, and rookie when we road together in 1981, or 82. God take your soul now "G.I." as I used to love to him, even though he was a "Jar Head" first. You are a part of my memories George... Forever, Ahmen 🙏

“ My main memory of George is when they were newly weds and how he loved Jody. He looked at her like she was the only person who existed in his life. He just adored her and was so grateful for her being his wife. He loved Jody for over 40 years. May the Lord give you peace Jody and fill you with his presence. Love always, Aunt Faye

“ My favorite memory of George was him playing in the pool surrounded by grandchildren. Jody and family, please be assured that my prayers are with you. Just a thought, I feel sure that Hal welcomed him to heaven and showed him around.

“ George was the best brother in law you could have. His love for Jody was only overshadowed by his love for children. He seemed happiest when he was surrounded by kids. That's how I will remember George, always playing.

“ So thankful to have known and work with George in the 1990's and early 2000's through VitalCare and Coweta EMS. He was an asset to EMS and a good friend to many. May God's love and comfort help you all through the weeks and months ahead. Renee Hunter

He was indeed one of a kind. We shared many conversations about guns and hunting deer. George was the only person I knew that hunted with a long bow. I kept expecting him to eventually come out with a spear to hunt game with.

He was a pleasure to work with at police department and always treated people so kindly but he had his limits. I never witnessed it but I knew it was there. The few times I did drive down to Newnan to visit him, I got to meet his father. I look at George's picture now and all I can see is his father. Now they are together again and I rejoice that this is possible.

He will be sorely missed and may God's love be with family.
