“ *George was a special person that was always there to help us when it was time to plan our class reunion. He made an email list to hand out at one of the reunions and I was amazed that he always had some great ideas. He would print pages for me and mail to add to our book. He came up with many great ideas to keep our classmates in touch with each other. For our 50th he worked on a CD for months trying to perfect and I had a terrible time trying to play it. He would make another one and send me and we just kept trying until we got it figured out. He was there to set it up that night so everyone could see the past 50 yrs and made sure everyone had a copy to take home. George always entered the room with a big smile and happy as could be. It will be very hard to plan our next reunion without his expertise on how to do something to make that night special. We all have great memories of him and I feel blessed to have been a part of his life. Our prayers go out to Glenda and his family. Shirley and Don Lester Class of 1957*

“ Jeff, Kevin and Family, Sorry to hear of your loss. My instant memory of George was a picture of him in a hall way of Sterling High School. Apparently he was a gifted athelete at Sterling High where I went to vocational school. George was always nice to all of Jeff and Kevin's friends.

“ *Dear Glenda, Phil and I are so sorry to of George's death. We were astounded when we heard the news since the last time we saw him he was so eneretic and full of life. It will always be a precious memory for both of us as we recall the time our wonderful, new neighbors - George and Glenda Marshall hosted a gathering of some of the sweetest people in their beautiful home to welcome us to the neighborhood. You and George were there for us when we needed you, and we so appreciated your kindess and generosity in our time of need. Know that we are lifting you up in prayer and trust that our wonderful, loving, Heavenly Father will fill your heart with peace, comfort, and joy as you remember all the wonderful times you and George were blessed with. Whenever my heart feels sad and I start missing my dad, this scripture always comes to mind and fills me with hope and I thought it might help you as well - I Thessalonians 4:13-18. Please let us know if there is anything we can do! Our love & prayers are with you, Carrie and Phil Parsons - 139 White Oak Drive*

“ Dear Marshall family: I am so sorry for your loss. I was shocked to hear of George's passing, He was a man that I thought at times was bigger than life. To hear of his passing is heart wrenching. My greatest memory of your dad was when he coached our Little League team, the Cardinals back in Morrison. He had more passion for the game than the players, I remember the times we had to stay after a game and practice if we lost. Good thing we didn;t lose too often. My prayers are with you all. “ Kevin (and all the Marshall family), I'm very saddened to hear of your loss. George was one of my Little League coaches, one of my golfing buddies, and always a good friend when "us guys" needed some advice as clueless teenagers. He had a lasting impact on everyone he touched, and you have my deepest sympathies. I'll keep you all in my prayers.

“ We will all miss this caring and loving friend. We date back to grade school where even then he was a leader and friend to all. I always enjoyed his emails and his passion for life. Just yesterday someone mentioned how they had tried pole vaulting, and I remember George pole vaulting at Central School. He is included in many of my childhood memories and I trust that he is now experiencing the glory of God and is free from all worry and pain. Dianne Swehla Graham

“ I have known George since we were in grade school in Sterling, Illinois. It is true that everyone loved him and respected him so much. It is so sad that we have lost him. The class of '57 will miss him as we come to future reunions. It won't be the same without him there. We have lost two wonderful classmates in a month's time. My deepest sympathy to his family and friends.
