“ *Celina, I was so sorry to read about Dan's passing. We worked together for many, many years, even before he worked at Bank of Coweta. He was a dear friend and helped me so much in my lending career. After retirement I would run into him occasionally at the grocery store. He loved his family, you and his children. My thoughts and prayers are with you all*

“ *Roxie (and family), how sad I am to see this news about Dan. I worked for him when he had his appraisal business in the Glover house on Perry Street. Oh the stories to tell! We had a great working relationship and I have thought of him often.*
