“ Mom, we love you so much and miss you so very-very much. We will always hold you deep inside our hearts. Chance misses you terribly, she just keeps pacing and searching for you. Losing you is so painfully difficult, our lives are changed forever, our lives will never be the same without you. All we have left are years of memories and we so want those days back. Mom thank you, I was blessed to have you, we always had so much fun together over the years and I will miss those days. I love you, your daughter, Donna

“ I am so sorry that when I opened the paper this morning, I saw that my dear long time friend, had passed on to a better life and world. She was very dear to me when we worked together at Hartwig Realty. She was always an up person to be around and had such a delightful wit . I am also sorry that I didn't keep in touch with her after she left Lancaster. I thought of her so often. She was a fun person and a great friend to have. Her presence will surely be missed by her family and friends in Ga. David, I remember you were still in school when Jeri and I were friends. Time certainly has a way of slipping away. I guess you were the only one of her children that I got to know. i know Jeri was a great mother and worried about her children always. I am so glad that she was near you David. My condolences to you and your family. A great lady has taken her place in heaven!
