“ Jerry was a great guy, have many fond memories of the old days back in the 80's. He helped me out when I went to Omaha to find info on my dad. My dad went to Creighton University there. Great guy!!! My prayers go out to his family.

“ I had the privilege of not only knowing this wonderful man, but our office's were across from each other when we worked together at Rayloc. There never was a nicer person than Jerry. He was a mentor to me and we bacame very good friends. Of course, Jerry loved his golf and while on a business trip, we were able to get a round plus 16 holes while in Maui! We had a great time. “ I was stunned to hear the news....Jerry was always quick with a joke and a smile and I've considered Jerry to be my friend for many years. His memory immediately brings a smile to my face. He was a kind soul and always gave sound advice. God bless him.

“ Jerry was always a familiar face and became a friend during my career with Martin-Senour. 3 transfers in 3 states and Jerry would always be at a trade show or out in the field with his reps...I became acquainted with Jerry back in my Omaha days.

What a blessing to have known Jerry as he was always upbeat and friendly as just a good person to be around.

My prayers go out to the Crnkovich family.

I remember well how on hot days, he would drive around looking for you and the dog on your walks and would have the car cool and pick you up. May God bless you all in your grief.
