“ Wayne, I am so sorry that I was not there for you. I fill that I let you down. My heart is so heavy, if that is the pain you were filling then I can understand why you did not want to stay. I really loved having you stay with me and I will treasure that time forever. My sorrow will not go away easily but I am asking God to help heal me and to ease my heavy heart. You will be truly missed by your family and friends (of which you had many). I look forward to the day when we can be together again. I love you with all my heart. : (

“ wayne,i wish more people could have seen you like i did.i could see past your hard shell probably better than anyone else on earth.you have left a void in my heart that will only possibly heal once we see each other again,but i also have great joy in knowing you are out of the pain i had seen you going through in the past few months.no one should have to endure the pain i saw you in.i love you dearly and will see you when it"s my time.

“ Wayne, you just don't know what sorrow you left behind-my heart is so heavy. I wish I had tried to talk to you more that last week! I somehow feel it probably would not have done any good. You were pushed into a hole you saw no way out of-you felt you had nothing to go on for. I so wish I could have you bossing me around again. I know you have gone to a peaceful place and God willing I will see you again. I know you and Kevin are together and finally friends. We will love you both always, Carolyn
