“ Dear sweet family of Gertrude Bowles, It was such an honor and privlidge to be involved in Gert's care as well as the care of her wonderful, loving family. Gert will always have a special place in my heart and Hersel and Glenna will as well. Gert had such a sweet, gentle spirit and she loved to laugh and reminisce about a life so well lived. You all are so special to me and the entire Embracing Hospice team. You'll be in all our thoughts and prayers.

“ I want to thank you all for the opportunity of being able to take care of Gert during her illness. I truely got to love Gert and all of you. Gert had a truely amazing family and I am proud I got to know each of you. I know that Gert was ready to meet her Lord, she told me several times. Now I know she is resting in His arms. I love you all, Suzanne Bryan R.N. Embracing Hospice.
