

Glenda Suzanne Boyd

June 20, 1962 - May 4, 2023

Dr. Glenda Suzanne Boyd, Psy.D., 60, of Newnan, formerly of Littleton, CO, passed away Thursday, May 4, 2023 at Piedmont Atlanta Hospital. She was born June 20, 1962 in Rome, GA to Dr. Ronald "Jack" & Shirley Andrews Boyd, during her father's internship at Floyd County Hospital. Following a 2-year enlistment of her father in the USAF Medical Corps in Altus, Oklahoma and a brief residence in Alma, Ga the family moved to Milledgeville, GA in 1965 where she grew up on the family farm.

During those early to late teen formative years she developed a great love for nature, the outdoors, and affection for animals, especially dogs and horses which carried over into her chosen professional field of psychology with the desire to utilize "Horse Therapy" for clients suffering from PTSD and related disorders.

Following her graduation from GMC High School in Milledgeville, she attended Abraham Baldwin Agricultural College in Tifton, GA which was significant in developing several long-term friendships. She attended Georgia Baptist Nursing School and graduated from Georgia College with a BS in Psychology, received her Master's at Georgia State and Doctoral Degree from Georgia School of Professional Psychology in Atlanta. Glenda was a mental health professional with skilled and specialized training, being licensed in Colorado and Georgia.

She became a follower of Christ as a teen attending Hopewell Methodist Church in Milledgeville, GA. When she attended college in Atlanta during her young adult years, she attended First Baptist Atlanta, and did her internship under Dr. Paul Walker at Mount Paran Church of God, in Atlanta. In her final years she attended GO Church in Newnan, GA. All were significant in incorporating and solidifying her Christian faith with her profession. Other significant events included volunteer and charitable work with underprivileged youth and later as volunteer counselor following the Columbine School shooting in Colorado. Her final professional career centered around evaluating Veterans for PTSD and other disability benefits.

Her "Celebration of Life Event" will be held on Wednesday, May 10, 2023 at 12:00 o'clock at McKoon Funeral Home in Newnan with Bishop Alan Mathura officiating. Burial will follow at Oak Hill Cemetery in Newnan. The visitation will be between 11:00 and 12:00 at McKoon Funeral Home, 38 Jackson St, Newnan.

Rather than flowers, the family requests memorial contributions to Hope Global Initiative online at www.hopeglobalnewnan.com. Condolences can be expressed online at www.mckoon.com. As she enters her heavenly home joyfully awaiting by Jesus side to greet us there, for she also is no longer dead, but is also risen! Risen indeed! Maranatha.

Survivors include parents, Ronald Jack & Shirley Andrews Boyd; Sister, Andrea Boyd; and Brother, Ronald Jackson Boyd of Sharpsburg. She will be missed by many.

“ I send my heartfelt condolences to the Boyd family. Glenda was always such a joy to be around. She went to Georgia college when I was there, and she had connections with Mt. Paran Church when I attended. She had a good sense of humor, and her smiles and laughter were contagious. God gave her a heart to help others. In her chosen field, I am sure that so many benefited, and were blessed, when receiving counselling and guidance from her with their issues. Take comfort that she is at rest and that that great smile of hers is bigger than ever in heaven.

“ The untimely death of my precious cousin Glenda has been almost unbearable. God’s timing is not ours. She is well and at peace now and one day we will be united with her. Her sweet smile and putting others ahead of herself will not be forgotten and great will be her reward.

“ My heart is so heavy for those she left behind. Mr. Jack (her caring dad) , Miss Shirley(her sweet mother) Andrea her loving sister and Ronnie her kindhearted brother! I met Glenda through her family. I know through my faith that she is already well & with the Lord. I will miss that sunshiny face and smile! She truly beamed with happiness and compassion for others. I'm certain of which she learned from her parents. Dr. Jack and nurse Shirley. Kids learn what they see! So, I know exactly where she got her kindness, and the desire to help others. Rest easy your time on this earth May be finished, but your spirit will live on in all of us that were blessed for having known you Glenda. 🙏🙏🙏🙏❤️❤️❤️❤️

“ Glenda was a true friend to everyone that knew her. We meet at GMC when we had a few classes together. Her love of horses and other animals was apparent even then. She loved talking about the places she wanted to travel and the things she wanted to see. She was so inspiring that I wanted to travel to the places she wanted to go ... and eventually did!

We kept in touch over the years and cheered on each other's successes and if Glenda said she would pray about something, you could always expect a follow-up. She was genuinely interested. Her absence will be felt deeply, but her fingerprints were left everywhere! She is one of those humanitarians who made a big unforgettable difference in this world very quietly. I'll, quite simply, miss my friend. 🙏

Thank you Betty, We were privileged & honored to be living in such a loving, neighborly & caring community. We love you. 'Doc', Shirley, Andrea & Ronnie

“ Glenda and I became friends as childhood neighbors with a mutual love of animals. She would come to the farm to love on the cows, horses, cats and dogs. Although our lives separated as adults the friendship lasted. She will be missed but will rest with Jesus and take forever care of all fur babies over the rainbow bridge.
