“ *Gonna miss you Razor!! Always one of my favorite of the group to play golf with. He was hilarious and kept the game fun. Never shied back from getting or giving compliments and/or the jab at a bad shot. The last time I spoke with him, we talked about how great retirement was and he recommended it to everyone! White Oak Golf course and the Talley group will miss you greatly!*

“ I have so many memories about Coach Glenn! I met him around 2008 when he coached me in softball (Sharpsburg Fusion). He was an amazing and dedicated coach. I became such a better player while playing for him. One of my favorite memories is when he would do his Ric Flair “WOOO” every time he got excited during a practice or game. My family and I sometimes still “WOOO” to this day when we get excited. My thoughts and prayers go out to KK and Diane.

“ I guess one of the first memories I have of Glenn is the auction fundraiser for White Oak Elementary. Kaitlynn and Savannah both had their hearts set on taking home the painted table and chairs that had been made by their class. We finally caved and Glenn won the table. That was the beginning of a long friendship between all of us. Glenn was actually Savannah’s very first travel ball coach and I can still hear him yelling “You don’t run on my field “. He was always supportive of Laken’s pitching too and He would come to her games to clock her pitching speed. Even when our softball days were over, Glenn remained a good friend and we often saw him at gatherings with our mutual friends. My heart breaks for Kaitlynn and Katiya. I will continue to pray for peace and comfort in the days to come.
